Noble Street Bridge Project

Jefferson County is planning on starting the underground utility work for this project, this fall. This project is scheduled to start in Spring 2024. The Noble Street bridge project is being handled and funded by Jefferson County and New York State. Due to the issues with the manufacturing/supply of the lift station, this project has been delayed.

Sewer Plant Project

The Village has been working on planning a new sewer plant for a few years now. Fourth Coast/St. Lawrence Engineering is designing this project for us and we have 50% of the planning done. We are very eager to get our new plant up in running!

- An income survey has been sent out to residents, please complete this survey and send it back to G&G Municipal Solutions. **Completing this survey will help our village qualify for more state/federal funding for projects. No personal information is required.**

Recycling & Trash Pickup

Recycling is picked up on Wednesdays, all containers must be by the curb at 8 AM.

Recycling is free for Village Residents but all recyclables **MUST** be separated. **DO NOT BRING IN RECYCLING FROM OUTSIDE THE VILLAGE LIMITS.**

Trash is picked up on Thursdays, all bags must be to the curb by 8 AM or Village Public Works will not pick up your bags. **ALL BAGS MUST HAVE A STICKER.** Stickers can be purchased in the Village Office or Online.

If you purchase stickers online, they will be mailed to the address provided. All online purchases have a **3% FEE.**

Evans Mills Public Library - Margaret Hedden

The annual report to the Community for 2022 is posted at the library for your convenience. Please stop in and explore the Library, especially if it's been a while since you have come by.

The Library would like to take this opportunity to thank The Town of LeRay Board for funding the 2023 Summer Reading Program's special event this year! REPCO Wildlife Adventures! REPCO Wildlife Encounters!

Evans Mills Public Library has joined with the Sally Ploof Hunter Memorial Library to offer our children this program. This organization will be at the Jack Williams Community Park; at Schell Avenue on July 19, 2023, at 11:30 a.m. and then duplicate this program at the Sally Ploof Hunter Memorial Program at 2:00.

It is an educational program that would benefit the children of the Village.

They bring animals for the children to see and discover. They offer the best in exciting wildlife education and entertainment. Specializing in reptiles and amphibians, they promote nature interaction and a deep connection to the great outdoors. With their services, not only do we get an entertaining and educational program, but we also get a chance to interact with the animals afterwards!

We have had trustees resign in 2022 and would like to see persons interested in seeing the library continue and how it operates come to the next Library Board Meeting on June 29, 2023, at 6:00 p.m.

We are always receiving new books each month; if you have a favorite author or subject you would like to see added to our collection, please just stop in and ask.

We are open Monday and Tuesday 1:30 – 7:00 p.m.

Wednesday 3-8:30 p.m.; Thursday 1-5 p.m.; and Saturday 9-noon.

Hope to see you soon!
